Rick,

I got your message about needing my e-mail address. Here it is. It is at the bottom of each of my e-mails, FYI.

We have a lot to get done to get to the agreement stage including a confirmation from the "guys" that this is what will take care of West Village.

- a. This contract and the next one, West Village, will be all that is required for now.
- b. Cost to cover Ferguson to prevent repercussions we discussed.

I did some things right in Memorial and many things I did not do cost me a ton of money. This has to be done right and I have to get comfortable everyone in authority is on board. What is being done on this issue??

Go ahead and send the draft agreement. We can run parallel courses. We do not have an agreement until everything is signed.

I do not have Jabreel's e-mail, please forward this message to him and copy me so I have his e-mail address too.

Thanks,

Bill
